The Nutcracker Program Notes

Herr Stahlbaum and his wife are giving a Christmas Party. The mysterious Uncle Drosselmeyer arrives and entertains the children with gifts, and dancing dolls. When the children beg Drosselmeyer for more, he presents a beautiful wooden nutcracker. The nutcracker is given to Clara. Her naughty & jealous sister Fran, seeing her happiness, breaks the nutcracker. Drosselmeyer repairs the doll and the party ends, the guests leave, and Clara goes to sleep.

As Clara sleeps, the room fills with mice who scurry about. The Nutcracker doll then appears life-size. The Nutcracker leads toy soldiers into battle with the mice led by the fierce Mouse king. Clara helps by hitting the Mouse King with her slipper who the Nutcracker then slays. The Nutcracker dances with Clara, leads her through the Land of Snow and into the Kingdom of Sweets where she is crowned as a princess and is offered Christmas treats.

In Clara's honor, the Sugar Plum Fairy arranges for her kingdom to entertain her. Dancers from many countries perform for Clara. The Sugar Plum Fairy and the Prince then dance a Grand Pas de Deux. As the celebration draws to a close, Clara says goodbye and wakes up from her dream.
